TEXAS DEPARTMENT OF PUBLIC SAFETY
ORDER ADOPTING A RULE

On October 9, 2025, the Public Safety Commission (the commission) by majority vote approved rules concerning:

Compassionate-Use/Low-THC Cannabis Program
Title 37 T.A.C. Part I, Chapter 12
Subchapter B

The Texas Department of Public Safety (the department) adopts amendments to §12.11, concerning Application for License. This rule is adopted without changes to the proposed text as published in the August 22, 2025, issue of the *Texas Register* (50 TexReg 5440) and will not be republished.

The proposed rule amendment implements House Bill 46, 89th Leg., R.S. (2025), by establishing a timeline for reviewing and taking action on a license application and making other conforming changes.

House Bill 46 expands the Texas Compassionate-Use Program by mandating that the department issue 15 dispensing organization licenses; currently, three exist. The bill sets out the timeline with respect to issuing the remaining dispensing organization licenses. Nine new dispensing organizations must be licensed by the department no later than December 1, 2025, from applications submitted before July 1, 2025. Three more dispensing organizations must be licensed by the department no later than April 1, 2026, from applications submitted at any time.

However, House Bill 46 also requires the director to adopt rules to establish a timeline for reviewing and taking action on dispensing organization licenses. Therefore, this rule is amended to establish the timeline applicable to issuing a license after all 15 dispensing organization licenses have been issued in accordance with the timeline established by House Bill 46. The timeline identified in the proposed rule will apply when any one or more of the 15 dispensing organization licenses issued under House Bill 46 is revoked or otherwise vacated and is available to be opened to new license applicants.
