Adoption of new Section 4.71 is necessary in order to establish the Advisory Oversight Community Outreach Committee in accordance with House Bill 925 (79th Texas Legislature--Regular Session). The purpose of the Advisory Oversight Community Outreach Committee is to document to the Public Safety Commission trade-related incidents involving department personnel; to develop recommendations and strategies to improve community relations, department personnel conduct, and the truck inspection process at the ports-of-entry on the Texas-Mexico border; and to act as ombudsman between the department and the residents and communities in the Texas-Mexico border area and between the department and the department's personnel.
