TEXAS DEPARTMENT OF PUBLIC SAFETY
ORDER ADOPTING A RULE

On October 27, 2022, the Public Safety Commission (the commission) by majority vote approved rules concerning:

Driver License Rules
Title 37 T.A.C. Part I, Chapter 15
Subchapter L
Section 15.181

The Texas Department of Public Safety (the department) adopts amendments to §15.181, concerning Election Identification Certificate. This rule is adopted without changes to the proposed text as published in the September 9, 2022 issue of the *Texas Register* (47 TexReg 5445) and will not be republished.

The 85th Legislature enacted Senate Bill 5 which modified eligibility for an Election Identification Certificate in the Texas Election Code, §63.0101. Prior law stated that a document used to establish eligibility for an election identification certificate must not have expired earlier than 60 days before the date of application. The proposed rule amendments are designed to ensure §15.181 is consistent with Texas Election Code, §63.0101 which requires the produced documentation to have not expired earlier than four years before the date of application.

No comments were received regarding the adoption of this rule.

This rule is adopted pursuant to Texas Government Code, §411.004(3), which authorizes the Public Safety Commission to adopt rules considered necessary for carrying out the department's work; Texas Transportation Code, §521.005, which authorizes the department to adopt rules necessary to administer Chapter 521 of the Texas Transportation Code; and Texas Election Code, §63.0101.

This agency hereby certifies that the adoption has been reviewed by legal counsel and found to be a valid exercise of the agency's legal authority.

The effective date of the rules is 20 days after the rules are filed with the Texas Register Division, Office of the Secretary of State.

This order constitutes the order of the commission required by the Administrative Procedures Act, Government Code, §2001.033.

Commercial Driver License
Title 37 T.A.C. Part I, Chapter 16
Subchapter A
Section 16.5

The Texas Department of Public Safety (the department) adopts amendments to §16.5, concerning Qualifications to Drive in Intrastate Commerce. This rule is adopted without changes to the proposed text as published in the September 9, 2022 issue of the *Texas Register* (47 TexReg 5447) and will not be republished.

These proposed rule amendments are necessary to comply with 49 Code of Federal Regulations (CFR) Part 391 which relates to the new alternative vision standards. The new vision standards detailed in the CFR replace Texas' current vision exemption program for intrastate commercial driver license applicants.

No comments were received regarding the adoption of this rule.

TEXAS DEPARTMENT OF PUBLIC SAFETY
ORDER ADOPTING A RULE

On October 27, 2022, the Public Safety Commission (the commission) by majority vote approved rules concerning:

Equipment and Vehicle Safety Standards
Title 37 T.A.C. Part I, Chapter 21
Section 21.2

The Texas Department of Public Safety (the department) adopts amendments to §21.2, concerning Standards for Vehicle Safety. This rule is adopted without changes to the proposed text as published in the September 9, 2022 issue of the *Texas Register* (47 TexReg 5449) and will not be republished.

This amendment is necessary to reduce confusion regarding the adoption of federal standards and definitions for certain vehicle lamps, reflective devices, and associated equipment. The referenced federal standard (FMVSS 108) is a federal manufacturer's standard. The proposed revision clarifies that the federal standards apply to all original, replacement, or aftermarket equipment. Not only must a vehicle be manufactured to the correct standard, but repairs and modifications to vehicle lighting and associated equipment must not cause the lamp or associated equipment to fail to meet the federal standard.

No comments were received regarding the adoption of this rule.

This rule is adopted without changes to the proposed text as published in the September 9, 2022 issue of the *Texas Register* (47 TexReg 5450) and will not be republished.

37 TAC §21.3 provides the standards for sunscreening and privacy window devices in motor vehicles.
